Hear me out, you greed lard of a tank! This isn’t the end of Lulu! Someday you’ll taste me leading inside an alien ship and conquering the entire population of Diamond City. I’ll abduct of all you friends into the great open space and crema a hyper boiled stove-

Good news! Ma’s on the same corner as I am! Go get them, Ma!

grounded message

s to you, Wa

Kya! Don’t worry, my darlin’! I’ve know how you feel! I can’t stand these alien trespassers in our village either! They are always driving me bonkers with them partying almost every night! I’ll give them a taste of
